IN RE: Application of Frontier Communications of the)
West, Inc. (f/k/a West Coast Telecommunications,) ORDER 
Inc.) for a Certificate of Public Convenience and) CANCELLING
Necessity to Operate as a Reseller of) CERTIFICATE AND
Telecommunications Services within the State of) WITHDRAWING
South Carolina.) TARIFF

This matter comes before the Public Service Commission of South Carolina ("the Commission") by way of the verified Petition of Frontier Communications of the West, Inc. ("Frontier") (f/k/a West Coast Telecommunications, Inc.) to cancel its Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services and to withdraw its tariff.

By Petition dated October 12, 2000, Frontier advised the Commission that Frontier was requesting cancellation of its Certificate to provide resold intrastate interexchange telecommunications services and withdrawal of Frontier's tariff. A review of the docket file reveals that Frontier's authority was granted by Order No. 93-1024, dated November 8, 1993. As reasoning for its request, Frontier stated that it is has not provided any retail telecommunications services in South Carolina since mid-1998 and does not plan to provide these services in the future. Further, the Petition states that Frontier has no retail business or residential customers in South Carolina.

As Frontier, by its own acknowledgment, is no longer providing the services for which its Certificate was granted and as Frontier has no customers, the Commission finds and concludes that Frontier's request to cancel its Certificate and to withdraw its tariff should be granted.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services authorized by Order No. 93-1024, dated November 8, 1993, issued in the instant Docket is hereby cancelled, and the tariff filed by Frontier is withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.
